It has been exactly four months since I made my first sale of my low ticket course using Maria's methods. I just checked the numbers and I have sold more in that four months than in the two years prior doing high ticket. Minus ad spend, the numbers are pretty similar. Two years of struggling with email lists and YouTube videos and sales calls and live launching vs. 4 months of passive IG + ads sales??? I'll take it.

10/2022-10/2024: \$49,844
Ad spend: \$4,082
Profit: \$45,762
11/26/2024-3/26/2025: \$54,627
Ad spend: \$11,791
Profit: \$42,836
I'm working my way toward 20k months (in sales). Then 20k in monthly profits! Cannot wait!!! Thank you [Maria Wendt](#) and [Rosemary Degrassi](#)

Maria is legit I have not even worked through all her courses yet but the ones I have and implemented over the last 5.5 months has tripled my sales organically! She is generous with her knowledge and what she teaches DOES work! I have bought most of her courses.

✓ **Why YouTube is shockingly one of the fastest and easiest platforms to grow right now.** (I had to publish 712 reels to hit 100k Instagram followers vs. only publishing 78 videos to hit 100k YouTube subscribers.)

✓ **The webcam filming + one software I use** to “edit” my YouTube videos as I film them so I never have to pay an editor, but the videos still look incredibly professional.

✓ **How I turn 1 video into 5 Top-Hits and create a “Wheel of Rapid Channel Growth”** by quickly identifying which of my videos YouTube is pushing and capitalizing on that momentum *(to get even more views and subscribers)*.

✓ **The 5 Golden Nuggets Of Growth (Keyword, Binge-ability, Low-Effort, Partner, & The Internal Algorithm).** Most people miss these shortcuts and overcomplicate YouTube, not realizing *the algorithm actually rewards you when you do a few simple things really well.*

✓ **Getting new customers with YouTube:** how I intentionally pitch in my YouTube videos so my viewers don't even realize I'm selling *(but they literally can't resist what I'm offering)*.

✓ **The YouTube Content Creator Mindset:** practical advice on how to show up with confidence, grace, and courage on YouTube, a platform that is known for its brutal comment section.

✓ **How to avoid the dreaded 90-day YouTube Throttle Ban:** A few weeks in *(before I knew what I was doing)*, I did something wrong and got officially banned for 90 days. Growth stalled and my views plummeted. I'll make sure to show you how to avoid this.

Rosemary Degrassi I can't thank you enough for all of the resources in the ads course 🙏 honestly it blows my mind - I'm profiting about \$50-\$100 a day and it's so exciting knowing this is just the start!

 Just leaving a review here, this ads course has allowed me to bring in CONSISTENT sales since the day I implemented. I also make about 2-3x ROI with these ads ❤️ it's worth the investment for the course for sure!
